

The only thing that stands between the consumers and their cash is not knowing they have a claim and this is where you come in.

Looking for a fresh business opportunity?

PPI Claims Introducers

Would you like to join an ever growing team of ppi compensation claims introducers? The ppi claims market is huge and is currently growing at an alarming rate per annum. People are just waking up to the fact that there is a massive opportunity to earn thousands of pounds pa.

We are currently looking for self-employed agents on a national basis to generate ppi claims, packaged cases by contacting people and highlighting possible ppi compensation claims that they may be entitled to.

- * You may be a call centre looking for an opportunity
- * You may be a Mortgage Adviser
- * You may be an Independent Financial Adviser
- * You may be a Solicitors practice
- * You may be an Accountants practice
- * You may just be business minded

You may have access to a database of clients that can be better utilised and can generate extra revenue.

We are a fully regulated claims company and have all the relevant systems in place, we understand the industry inside out.

PPI introducer commissions

Example: Mr & Mrs T commenced their claim 01/12/09. The couple were put under pressure to accept PPI (£7,100 single premium) on their loan of £30,000 with ABC loan company taken out in early 2001. The claim was settled on 28/12/2008 for £9,942.17

Commission: An introducer on 10% = £994.21 on settlement to you!

Contact us now if you want your business to capitalize upon this opportunity.
